Selecting your Channels/Packages

Once the STB is installed, you can choose the channels that you wish to view and accordingly pay flexible charges of your monthly bill.

You have many choices to make here, so take your time and look into what your family requirements are. You can choose to opt for the Basic Service Tier (BST) which will include almost 100 Free To Air (FTA) channels, of which 18 channels and 5 additional channels are TRAI mandated Doordarshan channels.

You can choose only Pay Channel packages offered by GIL or along with the BST or choose one or more of the Pay channels in a la carte mode or a combination of both. The prices vary from state to state. Please contact your Local Cable Operator for the rate card.

Please note that if any channel which forms a part of the package that you have subscribed for becomes unavailable on our network then your subscription charges for that package will be reduced by an amount equivalent to the A-la-Carte rate of that channel. Such reduction shall be effective from the date of unavailability of such channel on our network.

We shall give you fifteen days prior notice (save and except in cases of natural calamities and reasons beyond our control), before we take off of the air any channel or discontinue the exhibition of any channel. The notice shall be published in the local newspaper and displayed through scrolls on your TV screen.

As per the choice of channels made, kindly pay in the LCO/GIL office and **keep the STB in Standby/Operational mode**, so that the channels can be authorized on your STB.

Please read the STB manual which is inside the STB carton to familiarize yourself with its functions. Call the Toll Free Helpline if you face any difficulties.
