Network Capacity Fee (NCF)

As per the Government mandated New Tariff Order of 2017, from 29th December 2018, IMCL will be charging a Network Capacity Fee or NCF to all subscribers. The NCF is a fee charged for delivery of video signals to a subscriber. The pricing for the NCF has been defined by the Telecom Regulatory Authority of India (TRAI) as:

1. Rs. 130/- for the first 100 SD channels subscribed to
2. Rs. 20/- for every additional 25 channels subscribed to

Basic Service Tier

You can also choose to opt for the Basic Service Tier (BST) package which contains one hundred channels of which 24 are mandated Doordarshan channels. The BST is attractively priced at Rs.130/- per month plus taxes.

Pay Channels

You can choose to subscribe to any pay channel packages offered by IMCL or choose one or more of the pay channels in a-la-carte (ALC) mode or a combination of both at the prices indicated on the Package & Channel Request Form (PCRF). All prices are exclusive of taxes.

Please note that if any channel which forms a part of the package that you have subscribed to becomes unavailable on our network then your subscription charges for that package will be reduced by an amount equivalent to the value of that channel. Such reduction shall be effective from the date of unavailability of such channel on our network.

We shall give you fifteen days' prior notice (save and except in cases of natural calamities and reasons beyond our control), before we take any channel off air or discontinue the exhibition of any channel. The notice shall be published in the local newspaper and displayed through scrolls on your TV screen.

Subscribers must pay for all their subscriptions in prepaid mode to avail of services. We recommend that you renew your packages online or via your local cable operator before the expiry date of your packages to ensure un-interrupted viewing of your channels.
